BARBARIAN

In an age of dark centuries where magic and steel rule the world, the evil sorcerer Drax spreads terror in the Jewel City, enslaving the beautiful Princess Marina with a powerful spell of black magic. The people lose hope and the kingdom descends into chaos. But from the distant, frozen lands of the North comes an unflinching hero—Gorth, the mightiest barbarian the earth has ever seen. Armed with a gleaming, razor-sharp sword and driven by unbridled fury, Gorth sets out on a rescue mission. Your task as the player is to lead him through a series of fierce, brutal duels. You must defeat eight elite warriors who guard Drax—each a master fighter with unique strengths and weaknesses. At the end awaits the final confrontation with the tyrant himself, where the stakes are Marina's freedom and the restoration of peace to the kingdom.
