THE CITADEL

ATARI

SG

Enter The Citadel - an ancient fortress full of mysteries.
Step into the role of a brave explorer venturing through dark chambers and corridors of an old castle filled with traps, moving blocks, and dangerous mechanisms. Each level is a new puzzle that demands wit, precision, and careful planning. Can you find the exit before time runs out? The Citadel is a classic logic game for the Atari XL/XE - a blend of adventure, tension, and intellectual challenge.
