

Take on the role of the legendary agent J-23, Hans Kloss, and infiltrate the dark fortress known as the Wolfs Lair (Wilczy Szaniec) in this cult-classic Polish adventure-platformer. Your objective is to find all the pieces of the secret plans and escape safely. Traverse labyrinthine corridors, open safes, avoid vigilant guards, and remember to replenish your energy. The fate of the war rests in your hands! Publisher: LK Avalon. Release Year: 1992.

Hans Kloss: Agent J-23 Returns!

Step once again into the shoes of the legendary captain Hans Kloss, agent J-23, in this revitalized edition of the iconic Polish classic from 1992.

You have been deployed deep inside enemy territory – the grim and smoke-filled Wolf's Lair, reduced to ruins by war. Your mission is clear: infiltrate the enemy stronghold, recover the invaluable secret plans, and escape before the enemy closes in on you.
