

MIECZE VALDGIRA II WŁADCA GÓR

Get ready for an epic adventure where only courage and magic can bring liberation!

After defeating the dark forces in Haldgor Castle, Hldir – the dwarf-mage and liberator – becomes the king of the Fort and the surrounding lands. But a new evil has emerged in his homeland of Dale. Krwawy Zenon, a dark tyrant, uses a powerful artifact, the Eye of Cyclops, to spread terror and chaos.

Imprisoned in a dungeon, without his powerful Valdgir swords, Hldir must survive and escape to once again stand in defense of his people. Will he be able to outsmart his enemies, reclaim the lost artifacts, and defeat Krwawy Zenon? It all depends on you!

Game Features:
