

Enter the world of classic arcade games with Frogger on Atari XL/XE, a game that captures the essence of the golden era of video games. Released in 1983 by Parker Brothers, with development attributed to Roklan and programming by Steve Kranish and Dawn Stockbridge, Frogger invites players to guide a determined frog across a busy road and treacherous river to a safe home.

In this exciting skill game, you must overcome dangers, including speeding vehicles and the always perilous river filled with logs and crocodiles. Thanks to its engaging gameplay, Frogger has become a beloved title among Atari enthusiasts, praised for faithfully recreating arcade experiences in your living room.
